

TC ID	Test Step	Expected Result	Actual Result	Status
TC-A-01	Open https://valuenable.in/career.html in a browser	Page loads without errors	URL redirects to a 404 Error page	FAIL
TC-A-02	Check that a page title or heading is visible	A visible title/heading exists on the page	Career page title is visible	PASS
TC-A-03	Identify all job titles listed on the page	At least one job title is visible (e.g., Developer, DevOps)	Multiple job roles displayed	PASS
TC-A-04	Note the job titles exactly as displayed.	Job titles are readable and clearly formatted	Job titles displayed clearly	PASS
TC-A-05	Check if any job title has a link or additional detail	Links open correctly or additional info is accessible	Apply link redirects to a Google Form; however, access is restricted, and the application cannot be submitted.	FAIL
TC-A-06	Verify the page works on mobile/tablet views.	Job listings are readable without layout breakage	In tablet view, text alignment issues were observed. Some job details are not displayed properly, and the layout appears disturbed.	FAIL
